Large Saddle Armrest Bag

Straps over your scooter or wheelchair armrest to provide a handy storage area for books, binders, and other personal belongings. Made from high-quality, water resistant nylon.

Approx. Dimensions 9"x12"x3"

Attach your armrest bag by wrapping the fabric with the 2" hook strap over the top of your armrest and securing it to the 2" loop strap. Use the 5/8" hook and loop strap (located at the bottom of the bag) to secure it to your seat post or horizontal frame of the chair. This will prevent the bag from swinging outward.

The soft-to-touch material allows your arm to move free over the armrest without discomfort or skin irritation. Fits armrest from 1" round tubing to deluxe scooter armrest.

OTHER ARMREST BAGS AVAILABLE FOR YOUR SCOOTER OR WHEELCHAIR ARMREST:

Deluxe Saddle Bag: Same size as the Standard Saddle Bag with added side and inside pockets.

Extra-Large Saddle Bag: Large storage area with lots of separate storage pockets.
