Crutch Holder For Scooters & Powerchairs

Fits forearm and underarm style crutches securely with hook and loop strap. Just put your crutches behind your seat, strap them down and you're ready to go with no interferences. Made from high quality, water resistant polyester.

Directions for attaching your Crutch Holder to your scooter or wheelchair can be found on the "Mounting Instructions" page found in this package.

Diestco Crutch Holder fits seatbacks from 7"-21", ranging from travel scooters to high-back powerchairs.

OTHER EQUIPMENT HOLDERS & SEATBACK BAGS AVAILABLE FOR YOUR SCOOTER OR WHEELCHAIR:

Oxygen Tank Holder: A very safe and inexpensive way of carrying your oxygen cylinder on the back of your vehicle. Available for E-tanks, and smaller size tanks.

Cane Holder: Allows cane to be stored on back of vehicle when not in use.

Walker Holder: Attaches to your scooter seatback to carry your basic style walker wherever you go!

Deluxe Seatback Bag: Our most popular bag! Several storage compartments to separate your belongings. Wide enough to carry plenty of school and office supplies.

Monster Bag: As big as they come! Great for shopping, laundry, groceries, etc. Frame allows bag to remain open.
